## Mother's Story of Baby's Cure

Of a Most Distressing Humor by the Cuticura Remedies.

When our baby was a week old, eczema appeared on the top of her

head and spread all over her scalp, face, and forehead, forming one mass of sores. You can realize how much she must have suffered, when she scratched at times till the blood ran intermingled with water. Our family doctor's treatment proved ineffectual, as the disorder, instead of abating, developed more. We then stopped all medical treatment, and commenced with CUTICURA REMEDIES. We used the CUTICURA RESOLVENT, CUTICURA Ointment, and CUTICURA SOAP, all traces of the eczema disappeared, the skin and scalp were left perfectly clear and smooth, and she was entirely cured.

Mrs. E. BUTLER,

My oldest boy, age nine years, was troubled with sores on different parts of the body, especially on the leg, about twenty-four in all. They were about the size of a five-cent piece, and would fester very much and eject a pus. They were very painful. After my above experience with the cure of my little girl with CUTICURA REMEDIES, I did not bother with the doctor in this case, but gave him the CUTICURA treatment which completely cured him in four weeks. Mrs. E. BUTLER, 1289 3d Ave., S. Brooklyn, N. Y.
